

# New Zealand Xtreme Adventure Park Process

## Stage 1

Information provided by NZX directly or from website including Powerpoint Presentation and NZX Video (via Dropbox), and Summary Information Memorandum.

## Stage 2

### Signing the Non Disclosure Agreement (NDA)

You agree that the opportunity to establish a Xtreme New Zealand Adventure Park is an excellent one and you sign our NDA in order to receive more information.

#### You will receive

- Financial model
- Generic park designs
- Site assessment tool
- Detailed Information Memorandum

## Stage 3

### Signing the Memorandum of Understanding (MOU)

Signing the MOU means that you and New Zealand Xtreme have agreed on a territory that you wish to locate your park in, and you have been given a specific time frame to decide on whether you are able to finance the park build.

You will be required to pay a NZD25,000 deposit to cover territory exclusivity of which \$15000 is refundable if the project does not proceed.

#### You will receive

- Exclusive rights for 90 days across agreed territory.
- Initial Park Designs for up to 3 sites within the territory.
- Financial Models adjusted to market information you will provide.
- Technical review based on inputs supplied by you.

## Stage 4

### Scoping Agreement (SA)

This Agreement commissions New Zealand Xtreme to begin site development and start to purchase equipment for the park project. The client is paying a range of fees (design and engineering) and for equipment purchased prior to signing the Park License.

#### You will receive

- A Detailed Project Report.
- Site visit by Engage Plus Director, Engage Plus Technical representative, Engage Plus Architect.
- Schematic Design and first set of Architectural Drawings.
- Proposed Pricing Schedule and Construction Schedule.
- Staff Recruitment, Selection and Training Schedule.
- Proposed Marketing Plan

## Stage 5

### Signing the Park License

The final stage of owning your own park. Signing the New Zealand Xtreme License commits you to complete the financing of the New Zealand Xtreme Adventure Park using NZX plans.
